Kabir Nath, Chief Executive Officer, said, "Our phase 3 pivotal trials in treatment-resistant depression are now underway and on track, with treatment being administered to patients across numerous sites. This is significant progress, indicating that with the necessary approvals and licenses in place, these sites can now focus completely on training and recruitment.

We have also made important progress in laying the commercial groundwork for COMP360, with the recent acceptance by the American Medical Association of a CPT III code to describe the support services required in its administration. It has been a quarter of steady, strong progress, including productive, ongoing dialogue about the design of our pivotal trials with FDA."

Financial highlights

- Net loss for the three months ended 31 March 2023 was \$24.2 million, or \$0.57 loss per share (including non-cash share-based compensation expense of \$4.1 million), compared with \$21.2 million or \$0.50 loss per share, during the same period in 2022 (including non-cash-share-based compensation expense of \$3.1 million).
- R&D expenses were \$19.0 million for the three months ended 31 March 2023, compared with \$15.4 million during the same period in 2022. Of this increase, \$1.4 million was attributable to an increase in external development expenses as the company continues to investigate COMP360 psilocybin therapy in clinical and pre-clinical trials. \$1.2 million relates to an increase in personnel expenses, due to increased headcount. A further \$0.6 million was attributable to an increase in other expenses primarily related to an increase in external consulting expenses. In addition, non-cash share-based payment compensation increased by \$0.5 million, due primarily to increased headcount.
- G&A expenses were \$12.8 million for the three months ended 31 March 2023 compared with \$10.1 million during the same period in 2022. The increase was attributable to an increase of \$2.2 million in personnel expenses, due to increased headcount. \$0.9 million relates to an increase in facilities and other expenses. A further \$0.5 million was attributable to an

increase in non-cash share-based compensation, due primarily to increased headcount. This was partially offset by a decrease of \$0.9 million in legal and professional fees.

- Cash and cash equivalents were \$117.1 million as of 31 March 2023, compared with \$143.2 million as of 31 December 2022.
- Additional \$26.9 million net cash raised through ATM facility to date in the second quarter

Financial Guidance

• Second quarter 2023 net cash used in operating activities is expected to be in the range of \$22 million to \$30 million and the full-year 2023 to be in the range of \$85 million to \$110 million.

About COMPASS Pathways

COMPASS Pathways plc (Nasdaq: CMPS) is a mental health care company dedicated to accelerating patient access to evidence-based innovation in mental health. Our focus is on improving the lives of those who are suffering with mental health challenges and who are not helped by current treatments. We are pioneering the development of a new model of psilocybin therapy, in which our proprietary formulation of synthetic psilocybin, COMP360, is administered in conjunction with psychological support. COMP360 has been designated a Breakthrough Therapy by the U.S. Food and Drug Administration (FDA) and has received Innovative Licensing and Access Pathway (ILAP) designation in the UK for treatment-resistant depression (TRD). We have commenced a phase 3 clinical program of COMP 360 psilocybin therapy in TRD, the largest randomised, controlled, double-blind psilocybin therapy clinical program ever conducted. Previously, we completed a phase 2b study with top line data showing a statistically significant (p<0.001) and clinically relevant improvement in depressive symptom severity after three weeks for patients who received a single high dose of COMP360 psilocybin with psychological support. We are also conducting phase 2 clinical studies of COMP360 psilocybin therapy for post-traumatic stress disorder (PTSD) and anorexia nervosa. COMPASS is headquartered in London, UK, with offices in New York and San Francisco in the United States. Our vision is a world of mental wellbeing. www.compasspathways.com
